

AFTER LOSING A WIFE AND DAUGHTER TO CANCER  
I FASTED AND PRAYED FOR THE GIFT OF HEALING  
AND THE LORD JESUS APPEARED TO ME AND GAVE IT TO ME!

After losing two of my dear loved ones to cancer, a wife and daughter within 17 months of each other, I wept every day for four and a half months. Then I discovered that nothing ever comes into a person's life until it first passes right through the love of God. I fasted and prayed in a mountain cabin, from August 31, 1989 until October 13, 1989 for the gift of healing. During the last week of that fast, I could lie on my bunk for days at a time and not move. Then on the 41st day of that fast, Jesus Christ appeared to me standing at the end of my bunk. I was of course flat on my back on the little padded bunk.

The Glory that surrounded his person blotted out the entire universe. The light that came from his being was not the kind that hurt my eyes. He just looked at me at first. Then suddenly I knew something had happened. Jesus had taken away the fear of cancer and aids. I knew that it had happened. Then the Lord spoke and said. "Son, you can't come against a devil you are afraid of." Yes, I saw Jesus Christ in person face to face. I am an eyewitness to the resurrection of Jesus Christ for I saw him alive and he talked to me.

Then the Lord told me that people don't really know what the phrase means, Jesus died for my sins. And the Lord instructed me that when I minister to people with cancer that I am to give them the truth about two things: First the Cross Second the Whipping post. He opened my understanding to both Old and New Testament scriptures on those two subjects and how to explain them to people. [I put it in my books.](#)

Next Jesus spoke to me very slowly and said, "Do not pray for the sick." Then he repeated that same statement once again. I assumed that he repeated it because he knew what a shock it was to me. Next the Lord said, "I never prayed for the sick" The four Gospels went through my mind like a flash and I realized this great truth had been there all the time, but I had never realized it. Then the Lord opened my understanding to this fact: "The Gift of Healing doesn't work by prayer but by binding and commanding." I had asked for the Gift of Healing not just power in prayer. People are healed regularly through prayer and calling on the name of the Lord Jesus Christ. But the Gift of Healing is far above the power of prayer alone as Jesus also taught. Mark 11:12-23.

But then the Lord spoke again and said; "First call the demon spirit by name, then bind it using my name Jesus Christ and command it to come out and it will go." That is how the Gift of Healing works.

Then he told me that one of the main reasons many Christians don't get their healing is because they forget that they must repent of any sin they may have committed. [I John 1:7, 9] [Has anyone in the flesh achieved sinless perfection yet] They must also forgive all their enemies. He told me to have people repeat a 'statement of faith' which includes repenting of all sin, and forgiving all enemies because most churches no longer teach about repentance, the Cross or the whipping Jesus took. Also, the Lord showed me that people must confess with their mouth that they bind the demon of cancer (or their disease) and withdraw permission for it to work in their bodies and command it to come out in Jesus Name. Then they must plead the Blood of Jesus Christ over their spirit, soul and body and then tell the devil that he can't cross the Blood of Jesus Christ to ever come back. Next, I lay hands on the person and call the devils by name, bind them using the name Jesus Christ and command them to come out and they come out every time. Christians have power.

Next the Lord showed me that when I call the devil's spirit out, I should call the Lord's Spirit in, like Acts 19:1-6 and Acts 9:17 and Acts 8:14-17; by saying, "Receive the Holy Ghost". In most cases the people receive the Baptism of the Holy Ghost and speak in unknown tongues instantly, though I have said nothing about receiving the Holy Ghost. I then baptize them in water by total immersion in the name of Jesus Christ. Acts 2:37-42; Acts 8:16; Acts 22:16; Acts 10:43 47; Acts 19:1-7; Luke 24:46, 47, 48; Col. 3:17. I simple copy the words and actions of the apostles of Jesus Christ, word for word. You must use the Name of Jesus.

The Lord also seemed to burn the Bible on my brain. That is how it felt. Portions of scripture appear in my mind when I need them. The Lord also revealed to me that the word "gift" in 1 Corinthians 12:7-11, doesn't mean gift at all, it means: a presence, a bright light indicating the presence of deity; it means Jesus himself, working through the human vessel, by those nine gifts of the Spirit, for the purpose of continuing his beautiful

ministry on earth among lost and hurting humanity. Like Jesus, I say, the son (that's me) can do nothing of himself. My father gives me the words I speak. My father does the miracles. Jesus is the Eternal Father of Isaiah 9:6, for he created all things, and saves the lost. Jesus is not dead; he is alive and looking at you this very minute. (Col. 2:16 & John 1:1-14, say so)

There are no words to describe the sensations of weightlessness and power and beauty and love and glory and even invincibility and immortality that I experienced in that cabin. His presence stayed for 48 straight hours but the time seemed to be only a few minutes. Jesus also healed the terrible wounds of sorrow that had engulfed me. The next day when I left the cabin, I had to buy a newspaper to check the date for I couldn't believe the Lord's presence lasted two full days or that I had fasted that long. It took over six weeks to recover from the effects of that 43-day fast. Never fast without first learning how to fast, in Jesus Name.

Yes, I saw Jesus Christ alive in person face to face. I am an eye witness to the resurrection of Jesus Christ for I saw him alive face to face and he talked to me. Since that day in 1989, I have been around the world with this Gift. It is too much for religiously dead America to believe that entire hospitals have been emptied and entire AIDS wards have been emptied as well as cancer wards through this Gift. Or that AIDS devils are much easier than cancer devils to deal with, because of the will of their victims. Because if I am right, they are all wrong. The Hospital administrator in Meru, Kenya put it in writing: "Three weeks after Rev. Bufkin came to our hospital and laid hands on every patient, our hospital is 80% empty and we are dismissing patients daily in groups." Dr. Joseph Mathee still works there. Dr. Mathee is a dedicated Spirit filled witnessing Christian.

Now, let's do that again. If I cast out devils in the name of Jesus Christ then the Kingdom of God is come nigh to you. Better still; ask anyone in your area with cancer, epilepsy, demon possession of insanity, AIDS, MS etc. if they will give faith in the Lord Jesus Christ a try. I will come and minister to them in Jesus Name. In the US, no hospital will allow me to enter or minister to AIDS victims. Get in touch. I will teach you the true way of salvation and Christian living. Read Acts 2:1-42; 19:1-6, for starters. I travel nationwide to minister to church and house groups large and small. Jesus still heals for he still loves the world, John3:16.

Glory! Sorrow is a wound. Sorrow is a deep wound, but sorrow is a clean wound and will heal up nicely – as long as no grit gets in there. Grit like bitterness and blame and regret and etc. etc. Jesus heals heart wounds! Jesus said so himself in Luke 4:18. Isn't that a wonderful Jesus? Don't you love a Jesus like that? Isn't Jesus worth everything you are and everything you own? Then give it all to him like I have done and serve him with all your heart. I will be happy to visit and teach you about the Jesus who empties AIDS wards.
